

Zagreb, 16 June 2009

INA-INDUSTRIJA NAFTE, d.d. Zagreb – has received a Resolution of the Croatian Competition Agency in the matter of evaluation of the permissibility of the concentration of the entrepreneur MOL Hungarian Oil and Gas Plc., having its registered office in Hungary, H-1117 Budapest, Október huszonharmadika u. 18, and the entrepreneur INA-Industrija nafte d.d., having its registered office in Zagreb, Av. V. Holjevca 10. The concentration of the entrepreneur MOL Hungarian Oil and Gas Plc., and the entrepreneur INA-Industrija nafte d.d., is declared conditionally permitted.

The Resolution determines the measures and requirements that the participants in the concentration (MOL Plc and INA, d.d.) should meet in order to eliminate significant negative effects of the concentration on the prevention, restriction or violation of the competition, which might occur upon the implementation thereof.

The participants in the concentration have been ordered to sell the entrepreneur Crobenz dioničko društvo za trgovinu naftom, having its registered office in Zagreb, Radnička cesta 228 (MB 080010052). The participants in the concentration and their affiliated entrepreneurs are disallowed to open new fuel stations, on the territory of the Republic of Croatia. This restriction refers to the new sections that will be constructed on the existing motorways in the Republic of Croatia, as well as the new motorways that will be constructed on the territory of the Republic of Croatia, and is effective for two years.
