

Zagreb, 21 December 2010

INA – INDUSTRIJA NAFTE, d.d. – INA – INDUSTRIJA NAFTE, d.d. and Dioki d.d. concluded a sale-purchase contract which sets out the sale of the liquefied petroleum gas terminal in Zagreb (LPG terminal).

With this transaction a part of the commitments were fulfilled from the Agreement on settling the debt concluded between INA, d.d., Dioki d.d. and Prirodni Plin d.o.o., on 06 July 2010, to regulate the liabilities between the agreement parties. With the sale-purchase contract part of the liabilities of Dioki d.d. to the Pirodni Plin d.o.o. defined by Agreement on settling the debt, have been settled.

During the process of normalising business relations all parties showed a maximum level of flexibility in the efforts of fulfilling the agreements and allowing Dioki to fully settle its liabilities towards INA, d.d. and Prirodni Plin d.o.o.
