ARGUMENTS FOR AGENDA ITEMS OF THE GENERAL ASSEMBLY MEETING

Ad 2: Pursuant to the Article 280 of the Companies Act, INA d.d. shall notify the shareholders that pursuant to Article 300d of the Companies Act the Management Board and the Supervisory Board established the financial statements of the Company and consolidated annual financial statements of INA Group for the year 2011, but the General Assembly shall not decide on the abovementioned. The financial statements shall be presented to the General meeting of the Company together with the Annual report of the Management Board on Company and Group status and operations in 2011, and Supervisory Board Report on conducted control in 2011.

The General Assembly under this item shall not render any decisions.

Ad 3: Because of difficult situation in the financial environment it is suggested that no dividend is distributed out of profit from the year 2011.

The proposal for the 2011 profit distribution highlights the Company's commitment to the financial stabilization and understanding of the current business and operating environment,

especially of the credit markets. With this decision company is aiming to ensure maintaining the financial flexibility and appropriate level of liquidity while assuring the efficient operations in the increasingly challenging business environment.

In 2009 and 2010, full repayment of overdue liabilities towards the Croatian State and suppliers required INA to significantly increase its debt level and gearing, above the level sustainable on longer term. During 2011 the company has succeed in sustaining strong financial position by reducing indebtedness on the back of capitalised investments from the previous exceptionally capex intensive period. However, the developments at the end of 2011, (fourth quarter) both in the business environment and the financial markets indicated strong need for relaying on own funds. Reduced cash flow from Syrian operations, announcement of "Force majeure" in Syria and especially the increasing tightening of the financial markets and reduced credit availability as the European banking sector is unlikely to boost lending while focusing on increasing capital requirements imposed by the European Banking Authority are the strong indicators that financing focus should be on maximizing the utilisations of internal capacities.

Expected investments in Exploration and Production activities, in Refining system development and operational efficiency optimisation for achieving stable refineries operations with better white products yield and lower own consumption and losses are in the focus of company and capital expenditures spending which needs to be financed in the current year. In addition, a comprehensive Retail business modernisation and revitalisation programme is continuing with increased intensity in order to meet the highest expectations. Resulting from the major constraints in the financing sources (internal reduced cash flow and external increasingly difficult market conditions with decreased credit availability) maximum utilisation of internal capacities is considered more than prudent business practice. In that light, the company should retain the 2011 earnings and utilise them to mitigate already mentioned unfavourable influences and to achieve its ambitious capex plan for 2012.

Ad 4 and 5: Pursuant to Article 280 paragraph 3 of the Companies Act, the Management and Supervisory Boards propose to the General Assembly decision on Discharge of the members of the Management Board and Supervisory Board for the year 2011. On granting discharge to individual members of the Management Board i.e. Supervisory Board, may be voted separately, upon decision of General Assembly or upon request of the shareholders whose shares combined form at least one tenth of the capital stock of the Company.

Ad 6: Pursuant to Article 280 paragraph 3 of the Companies Act the Supervisory Board proposes to the General Assembly decision on selecting Deloitte d.o.o., Radnička cesta 6 for the Business Auditor in INA, d.d. for 2012.

Ad 7:

Amendments to the Company's list of business activities are proposed in accordance to Company's business purposes.

Ad 8: Explanation of the Amendments to the Articles of Association

Amendments to the Article 4 of the Articles of Association are required in terms of addition to the business activities as referred to in item 7.

Ad 9: No particular explanation
